NAVISP Element 1 Final Presentation

esa

Modelling Quantum Sensors in a realistic navigation system context
NAVISP EL1-089

11 November 2026, 14:30 – 16:00 CET

Time	Topic	Speaker
14:30-14:35	Welcome	**S. Binda** ESA NAVISP Element 1 Manager
14:35-14:40	Project Introduction	**R. Dittrich** Technical Officer, ESA
14:40-15:30	Project Implementation and Results: • Introduction to the project • Use cases Trade-Off and Selection • Demonstrator Design Verification and Validation • Conclusion • Next steps	**Oliver Towlson** MOQUA project manager, GMV NSL **Adam Seedat** Research Fellow in Quantum Sensing, UoB
15:30-16:00	Question and Answers	Moderator: **R. Dittrich** Technical Officer, ESA
