# HiD – overview of the project

## Together!

- Together is a mobile-based application (**Android & iOS**) that allows acceleration and facilitation contact between people in need and volunteers of a given organization, which can assist them.

administrator of the organization

person in need

volunteer

## Which issues solves Together?

Too many channels  
for communication

Lack of knowledge about  
the category of the request

Receiving requests from  
outside the area of  
activities.

Time needed to add a  
request.

Difficulties with  
locating a person in  
need

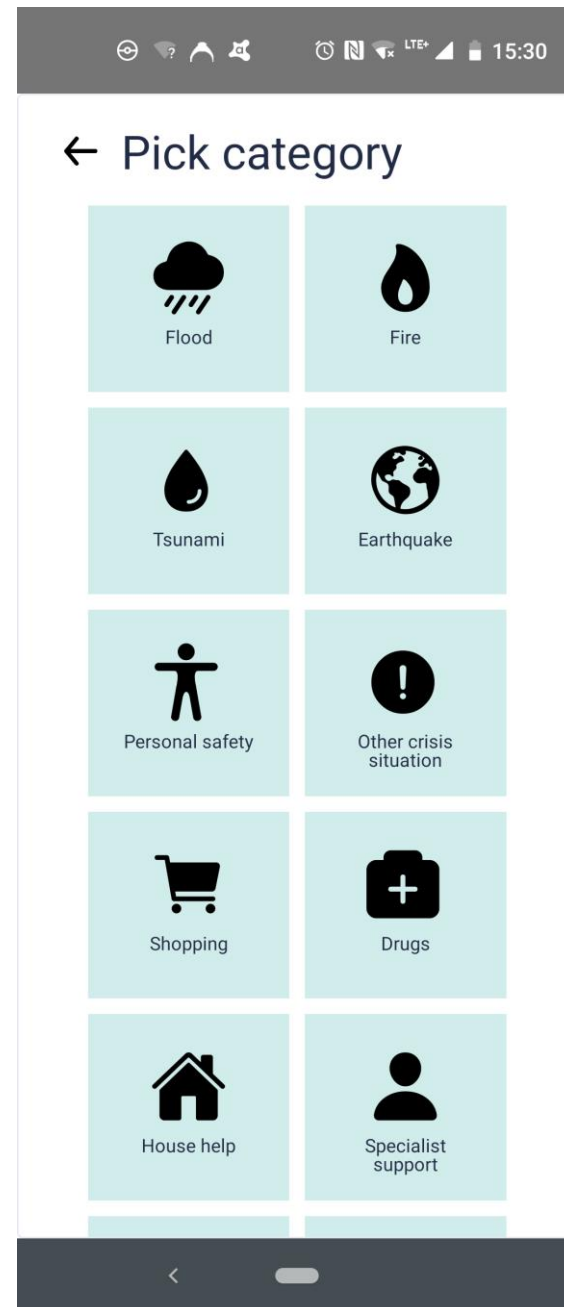

HID - OVERVIEW OF THE PROJECT

## How does the application work?

- Choosing a **category** by a person in **need**.

[www.itti.com.pl](http://www.itti.com.pl) Third test campaign

HID – OVERVIEW OF THE PROJECT

## How does the application work?

- Supplementing **details** of the requests by a **person in need**.

The screenshot shows a mobile application interface for creating a request. At the top, there is a status bar with various icons and the time 15:30. Below the status bar, the title "Request details" is displayed with a back arrow icon. Underneath the title, the category "Category: Personal safety" is shown with a person icon. The form consists of several input fields and buttons:

- Title:** A text input field with a placeholder "Title...". Below it, a red error message "Min 3 characters" is displayed.
- Description:** A text input field with a placeholder "Description...". Above it, the text "Description 0/2000" is shown.
- Photo Selection:** Two blue buttons labeled "Select photo" and "Take photo" are positioned below the description field.
- Map:** A map view showing a location marked with a blue pin. The map includes the Google logo and a street name "Piaskowa".
- Detailed location:** A text input field with a placeholder "Detailed location".
- Phone number:** A text input field with a placeholder "Phone number...".
- Create Request:** A large grey button labeled "CREATE NEW REQUEST" at the bottom of the form.

The bottom of the screen shows a dark navigation bar with a back arrow and a home indicator.

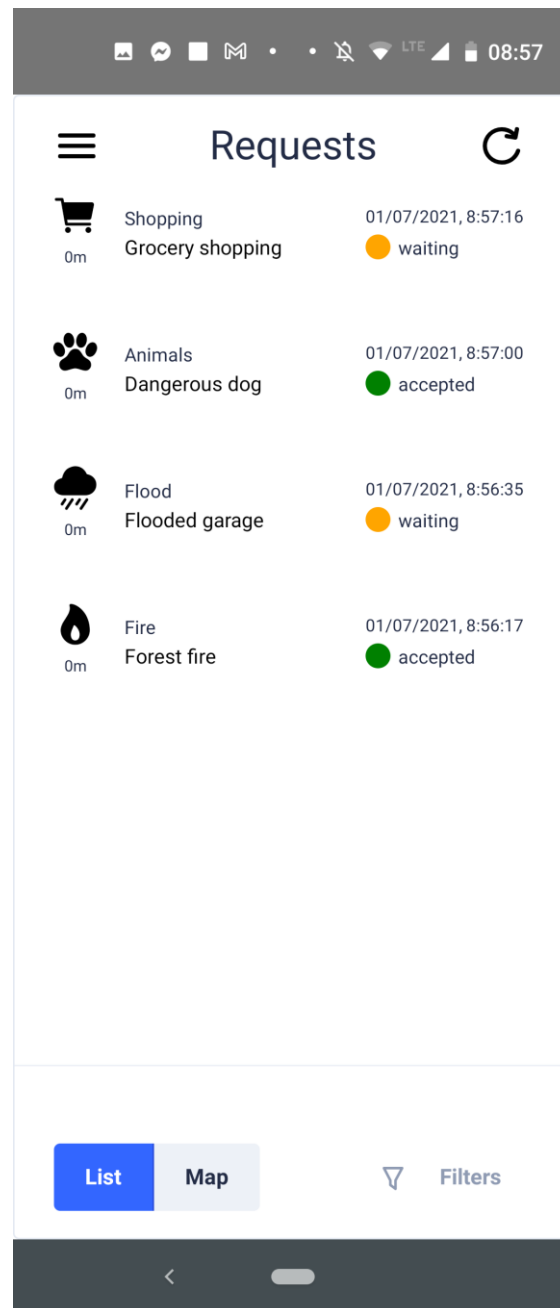

HID - OVERVIEW OF THE PROJECT

## How does the application work?

- Receiving a **request** by the **volunteer**.
